

How to Access the Engage WICF Community Site

Follow the steps below to access the *Engage WICF Community* site:

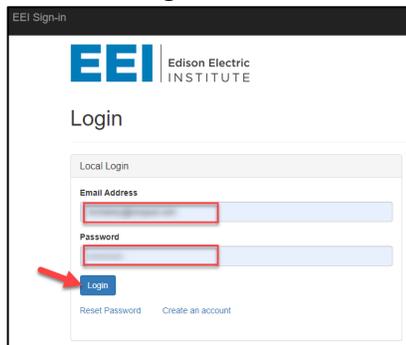

STEP 1 - To access the *Engage WICF Community* site go to <https://engage.eei.org>

Note: To access the *Engage WICF Community* site, you must already have the following: 1) An active EEI Account **and** 2) A WICF Membership. New and Prospective WICF Members: See the guidance at the bottom of this document.

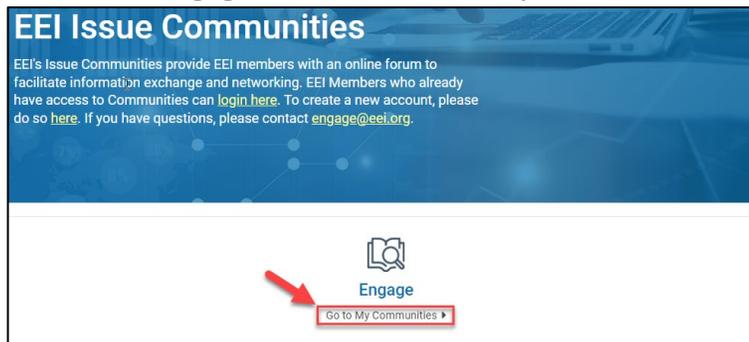

STEP 2 - Click "Sign in" button:

STEP 3 - Enter your email address and password (same as your EEI Account.), then click the "Login" button:

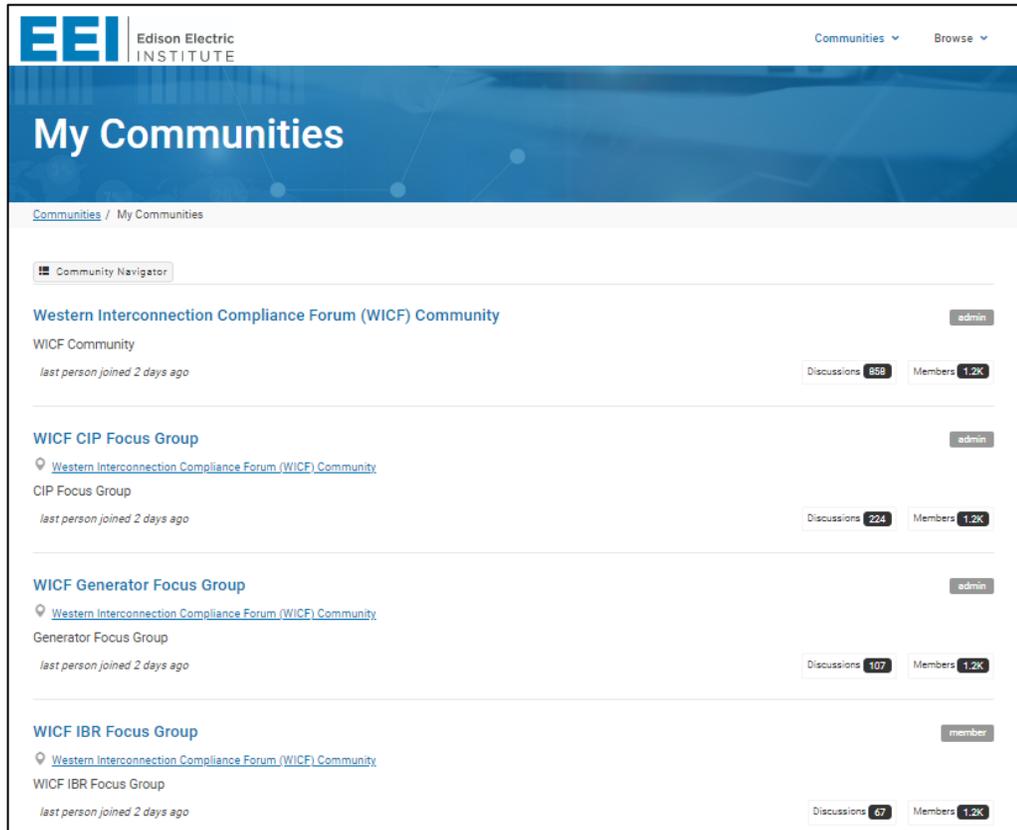

STEP 4 - Under the 'Engage' icon, click "Go to My Communities":

How to Access the Engage WICF Community Site

STEP 5 - Browse the “My Communities” list and click "Western Interconnection Compliance Forum (WICF) Community" or a specific WICF Focus Group to access:

Note: If you’ve recently been notified about your access to the *Engage WICF Community* site, but cannot see the community sites, give the system a couple of hours to update and try logging out and back into <https://engage.eei.org>.

If the issue persists or you’ve been a WICF Member for a while and believe you should already have this access, please email any technical questions to Engage@eei.org. For general WICF or WICF Membership-related questions, [click here](#) to send your question to the WICF Steering Committee.

New and Prospective WICF Members:

To request WICF Membership and access to the *Engage WICF Community* site, you must 1) Create an EEI Account (see separate instructions - [click here](#), scroll down, and click the “How to Create an EEI Account” button for instructions **and** 2) Complete and submit the WICF Membership Request Form ([click here](#)) on the WICF.biz website.
